When we walked in fields of gold So she took her love for to gaze a while
Among the fields of barley In his arms she fell as her hair
came down, among the fields of gold Will you
stay with me, will you be my love among the fields of barley?
And you can tell the sun in his jeans a-lous sky when we walked in fields of gold.

I never made promises lightly And there have been some
that I've broken. But I swear in the
days still left we will walk in fields of gold. We'll
walk in fields of gold. Ooh.

Many
years have passed since those summer days among the fields of barley.

see the children run as the sun goes down

as you lie in fields of gold. you'll remember me when the west wind moves among the fields of barley.

When we walked in fields of gold... When we...

Autumn Leaves

English Words by Johnny Mercer.

The falling leaves drift by...
my window...

The falling leaves...

are all red and gold.

I see

your lips...

the summer kisses,

the sun-burnt hands...

I
used to hold... Since you went away
the days grow long. And
soon I'll hear old winter's song.
